## About NIGERIA

Nigeria is the most populous country in Africa, the seventh most populous country in the world in which majority of the population is black. Its oil reserves have brought great revenues to the country. It is listed among the "Next Eleven" economies, and is a member of the Commonwealth of Nations.

## Why Nigeria

### The Nigerian experience

Nigeria has an estimated population of 140 Million people and is regarded as Africa's most populous Nation.

Nigeria is the seventh largest oil exporter in the world producing an estimated 2 million barrels a day, Nigeria's GDP (purchasing power parity) and official exchange rate stands at USD 294.8 Billion and USD126.7 Billion respectively as of 2007.

In terms of labour force, the Nigerian labour force is predominantly young adult based, with 70% of the working population servicing the agricultural sector, 10% servicing the industrial sector and 20% servicing the services sector. This gives opportunity to highly educated Indians to seek employment and work and settle in Nigeria

Nigeria has very good economic potential, its considerable resource endowment, highly motivated entrepreneurs, vast and fertile agricultural land, and a large domestic market; as well strategic coastal location should allow it to become an economic powerhouse for Africa.

Developing ICT and BPO sectors should be a high priority for a development oriented country such as Nigeria, not only will the development of this industry create job and export opportunities, it will also have positive effects on the nation, such as: enhanced incentives for education, technology and knowledge transfer, environmental protection and an improvement in the quality of locally provided services.

## Jobs in Nigeria

Nigeria have increased manifold with the growing population of Nigeria. The government of Nigeria is taking active initiatives to bring about a positive change in the job market of Nigeria.

The educational infrastructure in Nigeria is experiencing a gradual development and various kinds of vocational courses are being taught in these institutes.

Different International companies setup in Nigeria have increased the career options for highly educated and skilled work force from other countries.

## Different kinds of Nigerian Jobs

The different kinds of jobs available in Nigeria are

- Engineering,
- Human resources,
- Management,
- Information technology,
- Telecommunications,
- Media,
- Textiles Industry,
- Footwear and chemicals,
- Banks and other financial institutions,

## Types of Visas

- Business Visa / Entry Permit
- Tourist Visa / Entry Permit
- Official / Diplomatic Visa / Entry Permit
- Subject to Regularization (STR) Visa / Entry Permit
- Temporary Work Permit (TWP)

## About EGYPT

Egypt ranks 74 in standard of living index. The country known as Egypt is officially called the Arab Republic of Egypt and it is situated in the north-east of Africa. The stunning, colossal monuments of Ancient Egypt never fail to astonish. The heat, sight and the light of the desert invigorate. The cool, turquoise waters rejuvenate. A romantic cruise along the world's longest river dazzles the senses. A first class getaway resort in the Red Sea Riviera is pure escapism. No place has the magic, mystery and pleasures of Egypt. Travel to Egypt to discover a world of wonder

Egypt is probably one of the oldest vacation spots. Egypt is much more than Pyramids and monuments. It is also Red Sea scuba diving, hot night spots, luxury hotels and five star restaurants. It's romantic cruises down the Nile on festive river boats, a night at the grand opera and it is a cultural experience like none you have ever experienced. Egypt is a land bustling with life, sound, visual beauty and excitement.

### Egyptian visa types:

#### → Egyptian Tourist Visa

The Egyptian tourist visa has 3-month validity up on issuance.

They may also have a free residence grant authorized for 14 days to visit the area.

This type of visa is intended only for applicants wanting to visit the territory of Egypt for tourism purposes.

Applicants under this visa should leave on or before the visa's expiration date.

Egyptian tourist visas may also be issued with multiple or single entry status.

#### → Egyptian Entry Visa

The Egyptian entry visas were designed for applicants wanting to study and work or engage in activities excluded from the Egyptian tourist visa's coverage.

Applicants must present a passport with a least 6 months validity and other documents supporting the application to qualify for this Egyptian visa.

The Egyptian entry visa is the first step for applicants hoping to gain an Egyptian permanent residency. The requirements for this visa are as follows:

A visa valid for 6 months;

1x1 ID picture (in color);

The completed and signed application form; and

The declaration form

## Why Egypt?

Low-cost investment with high returns.

The warmest, sunniest and driest all year round climate close to Europe.

Beautiful warm and dry weather 365 days a year.

A unique mix of wealthy culture, beautiful beaches and golden deserts.

A steadily growing tourist destination to double its number of tourists within the next 10 years.

Investors getting on the real estate ladder now, will gain huge profits in an emerging market with an increasing demand over supply.

Egyptians are hospitable and extremely friendly to tourists.

Cost of living in Egypt is around 20% of UK rates.

Charges for title deeds and registration as low as 3%.

## About KENYA

Kenya has a very diverse population that includes tree of Africa's major sociolinguistic groups Bantu (67%), Nilotic (30%) and Cushitic (3%). Kenyans are deeply religious about 80% of Kenyans are Christian, 11% Muslim and the remainder follows traditional Africa religions or other faiths. Most city residents retain links with their rural, extended families and leave the city periodically to help work on the family farm. About 75% of the work force is engaged in agriculture, mainly as subsistence farmers. The national motto of Kenya is Harambee, meaning "pull together". In that spirit, volunteers in hundreds of communities build schools, clinics, and other facilities each year and collect funds to send students abroad.

### Kenyan Visa Types

#### → Ordinary / Single Entry Visa

Required for all persons intending to enter Kenya for visits or residency. These are visas issued to all persons whose nationalities require visas to enter Kenya for visits or residence and shall be issued strictly in accordance with the provisions of categories 1, 2 and 3 of the Visa Regulations.

#### → Diplomatic Visa

Issued gratis to holder of a diplomatic Passport on official business.

#### → Multiple Journey Visa

All persons who are nationals of countries which require visas for Kenya and who by nature of their businesses or circumstances require to make frequent visits to Kenya often for periods ranging from six to twelve months.

## → Courtesy Visa

issued gratis where the applicant is not entitled to a diplomatic Visa, but where it is considered by the issuing officer to be desirable on the grounds of international courtesy.

## → Official/Service Visas

Visas are issued gratis to holders of Official or Service passports on official visits. These visas should be issued in accordance with the provisions of categories 1, 2 and 3 of the Visa Regulations.

## Why Kenya

Kenya stands out in the African continent with a growing economy not dependant only on natural resources anymore, but expanding to other emerging sectors including ICT.

Kenya is highly cosmopolitan and a welcoming place for expatriates to live and work.

Kenya is the gateway to Africa and a global hub for travel, with 72 flights to Europe, 41 flights to the Middle East, 20 flights to Asia, and nearly 350 flights to other parts of Africa every week. Kenya is also centrally located, as flying times to the UK, India, the UAE, and South Africa are 8, 6, 5, and 4 hours respectively.

## About Ethiopia

Ethiopia is located in the Horn of Africa and is the second most populated country in the continent. Ethiopia is Africa's one of the greatest cultural destinations, and its history dates back to biblical times.

## Why Ethiopia

Ethiopia is the only African country which has all the three attractions altogether: historical, cultural and natural.

**Great climate and Beautiful Landscape :** Ethiopia is located in the northeastern Horn of Africa, equidistant to the equator and the Tropic of Capricorn. Ethiopia is one of the oldest countries in the world, the land of mountains, rivers and most spectacular places on the African continent. Because of the elevation of most of the country, it is a good idea to bring a sweater all the year-round.

**Land of Cultural Diversity :** Ethiopia's history dates back to biblical times. Its noble history gave rise to ethnic, linguistic and cultural diversity.

**Historical Places :** Lalibela was constructed in early thirteenth century by King Lalibela and it has eleven monolithic churches. It is also considered as eighth global wonder.

**Wild Life :** Ethiopia has a large variety of indigenous plant and animal species. Ethiopia is the 4th largest Bio Diversity zone in the world with varieties of flora and fauna.

**Land of Music, Art and Festivals :** The music and dances have distinctive characteristics and are tremendously varied in style and content.
