Migrate to Australia

Don't worry about the world coming to an end today,
Because its already tomorrow in Australia

Why Migrate to Australia?

Australia- Land of Stable Economy, adventure and much more!!!

Australia is the land of opportunities and has been actively encouraging and fascinating for many years. As a result, Australia is a cosmopolitan and a multi-cultural society offering a diverse range of lifestyle options. Here are some reasons why you should migrate to Australia.

- Skilled workers are needed immediately
- Unemployment is now at its lowest in Australia
- Salaries are increasing rapidly due to the short supply of skilled workers
- Job is not a criterion for granting a migration visa

Independent migrants are selected on the basis of their education skills and work experience. They should prove that they will contribute to the Australian economy.

BENEFITS of holding AUSTRALIA's Permanent Residence

1. As a permanent resident, you will be given a permanent visa. This gives you the right to live in Australia indefinitely. You can enjoy unlimited travelling to and from Australia
2. A very important benefit which the permanent residents enjoy is the health care entitlement. As a permanent resident of Australia, you will enjoy the privilege of health insurance scheme run by the government called Medicare. Under Medicare, you could receive free treatment at a public hospital
3. The next important aspect of permanent residence is the aspect of work permit. Permanent residents can work for any employer in any occupation. But, working in the Public Service or Armed forces is strictly restricted to the Australian Citizens. This, however, does not distinguish the industrial laws between the permanent residents and citizens. Permanent residents enjoy the same benefits under these laws as the Australian citizens. They can become a part of trade unions and can claim worker's compensation
4. Children of permanent residents who are born in Australia are deemed Australian citizens by birth. This will be a great advantage because they will enjoy maximum benefits in the field of education, health care and many more
5. Our procuring permanent resident ship, you also enjoy unlimited freedom to pursue the course of study you prefer. Permanent residents have various options to choose when it comes to University education. There are certain education loans that are available only to permanent residents. These loans are extremely helpful in managing your financial crisis that may arise due to the additional expenses associated with your study.
6. As regards to social security, the permanent residents must hold on for a period of two years before they are entitled to receive social security benefits like sickness, unemployment, student benefits that are offered by Australia's Social Security Department
7. Permanent Residents can also sponsor their relatives for acquisition of permanent residence. But this is possible only after the applicant meets certain residence and support assurance prerequisites

8. Permanent residents have the right to take up any profession as they desire in Australia
9. The permanent resident of Australia is also granted the right to travel to New Zealand and apply for a New Zealand Visa. This is a provision that has been granted by the government of New Zealand

Why only Australia?

Australia is the sixth largest country in the world. It's about the same size as the 48 mainland states of the USA and 50 percent larger than Europe.

The capital city of Australia is Canberra, located in Australian Capital Territory. Australia's total population being 21 million, is mainly concentrated in the vibrant, sophisticated and welcoming cities of **Sydney, Melbourne, Perth, Brisbane and Adelaide.**

Australia is renowned for its stunning scenery, friendly people and also voted as the best place in the world to live. **Great Barrier Reef and Uluru-Kata Tjuta National Park, Sydney Opera House** and many more are the areas in Australia which are on the World Heritage list.

Australia is home to citizens over 200 countries, making it the most multilingual workforce in the Asia-Pacific region.

Economically Australia is currently doing very well, having a stable and competitive economy. As of July 2012, there were 10,772,200 people employed, with an unemployment rate at a low of 5.2%. Australia is experiencing a severe skills shortage as large number of its population is aged. There is a huge need of skilled labor from over-

Australian Job Opportunities

The job opportunities in Australia are pretty good. It includes job categories as:

- Accounting
- Banking and Finance
- Engineering
- Hotel Management
- Medical and Health Care
- IT and Telecommunications
- Sales & Marketing
- Mining
- Arts and Entertainment

BHP Billiton, National Australia Bank (NAB), Commonwealth Bank, Telstra. Woolworths Limited and AMP Limited are some of the top companies in Australia.

Salary Ranges in Australia:

Salaries vary from state to state and even from one facility to the other within each state. Private organizations usually pay slightly more than public organizations, although the latter may have a requirement for out of hours and on-call work, which can boost your salary significantly for working overtime.

A recent graduate will earn upwards \$19 per hour although the rate could be as high as \$55 per hour depending on experience, specialist skills or employer.

Basic Requirements

To gain entry under the skilled migration programme applicant should meet the basic requirements listed below:

- Applicant must be between 18 to 50 years of age.
- Fluency in English
- Recent skilled work experience
- Bonus Point for Australian qualification & work experience
- Applicant must also have skills and qualifications for an occupation listed on Australia's Skilled Occupation List (SOL).

It is often beneficial to your visa application if you are on the demanded list of occupations in the country.

You have to be judged as a person of good character. If you have a substantial or serious criminal record, then it is likely that your visa will be rejected. Basic health checkups are mandatory and are a part of the assessment. Serious health problems create hurdles in getting a visa

Migration Services provided by Opulentus

There is a range of visa options under the General Skilled Migration program for skilled workers who want to live in Australia and who do not have an employer sponsoring them. These include options for skilled people applying as an independent migrant as well as those sponsored by a relative, or nominated by a State or Territory government.

Independent

Independent migrants have the least number of restrictions placed on them and this is the preferred option for eligible applicants who do not have an employer to sponsor them. Assess your eligibility for the independent visas before you continue.

Sponsored

If you are sponsored by an eligible relative or state nomination or regional nomination or an Employer nomination, please note that there are a number of obligations that must be met by your sponsor also visa category depends on the basis of availed sponsorship.

Few facts about Australian Visa

- Holding an Australian PR makes you an Australian citizen after a couple of years
- The right to sponsor relatives for permanent residence, subject to fulfilling residence criteria and assurance of support requirements
- Children born inside Australia will be Australian citizens by birth
- Unrestricted rights to live, work and study in New Zealand
