All the applicants are required to fulfil a set of prerequisites before they can be awarded points under one of the two points-based tests such as:

- ✓ **General Points Test**
- ✓ **Achievement –based Points Test**

Successful applicants under this scheme can bring their spouse and unmarried dependent children under the age of 18 to Hong Kong. They do not need an offer of local employment before their entry to Hong Kong for settlement.

The main intention of the program was to create a visa class for those highly talented people who might be willing to take up residence in Hong Kong without actually having any core reason for coming to the country.
